

SEMNOX LAUNCHES

RADIAN

MAKE THE TIME BASED ACTIVITY EXPERIENCE MORE COLORFUL

Time management for group activities has never been so simple before. No need of having human time keeper. No need of worrying about storing and displaying customer sensitive information. Just 'Radian' it. Real-time visual feedback based on time events.

KEY FEATURES

- Light weight, robust and durable
- Rechargeable Lithium-Ion battery
- Vibration alert to players when time is about to expire
- RFID based NFC technology to identify and activate the wristband
- LED bezel with software controlled patterns for easy identification of the individual in the group
- Standard wireless communication that provides wide range coverage across the facility
- Ability to change color based on event - Example: change color to Yellow when 5 minutes to finish
